

THE ROTARY CLUB OF CATONSVILLE'S

FROSTY GOLF

AN INDOOR MINI GOLF TOURNAMENT

Dear Friends & Supporters of the Rotary Club of Catonsville,

On February 22nd, 2025, we will be hosting our annual Frosty Golf Indoor Mini-Golf Fundraiser. This event will take place at the Charlestown Senior Living Community from 6:00 PM to 9:00 PM.

Along with an 18 hole mini-golf course, the event will have a bar and will be catered with hors d'œuvres and desserts. We will feature our ever-popular raffles and silent auction items from local and regional businesses, and perhaps a live auction item or two.

We are looking for sponsors for this year's fundraiser! We have four levels of sponsorship detailed on the next page. We are also looking for donations to our live and silent auctions.

This event enables our club's many charitable projects:

- The Catonsville Community Park Walking Path Connector Project
- The Catonsville Bike Hitch and Fix-it Station Project
- The Westside Men's Shelter - Scittino's Monthly Pizza Nights
- The Food Project - Gas Line Project

As well as our charitable giving and service projects:

- Collecting food for Catonsville Emergency Assistance
- Assembling diaper bags for new mothers with RISE
- Assembling care baskets for the Westside Men's Shelter
- Supporting the National Ovarian Cancer Coalition's Maryland Walk to raise funds to end ovarian cancer
- Sending 10 local kids in need to summer camp at the Catonsville YMCA
- Volunteering monthly at the Benjamin Banneker Historical Park & Museum

None of this would be possible without your support and without Frosty Golf, which is our largest fundraising event every year. Please join us this year as a sponsor of this event and help fund this event and our work!

Your support helps to sustain our mission to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through fellowship of community leaders. Thank you for your consideration and support!

Sincerely,

Robert Krasnansky
